Dear Peanut Growers,

I would like to take a few minutes of your time and provide you with some peanut test results from the 2010 Sunbelt Ag Expo in Moultrie, GA this year.

This was an independent test that was conducted by the Sunbelt Ag Expo in 2010. The only thing Grasshopper Fertilizer did was furnish the fertilizer for the peanut test. Grasshopper Fertilizer has one of the best Micro-Nutrient packages and Root Stimulators on the market today.
